RE-ENTRY STUDENTS

All graduate students who have withdrawn from Cardinal Stritch University must resubmit an application. Official transcripts of any courses taken since leaving the University must also be submitted. Due to the University requirement that all transcripts from prior institutions be on file for all active students, all official transcripts may need to be resubmitted.

Students who leave the University for two or fewer consecutive semesters (not including summer sessions) will re-enter under the academic program/curriculum in effect at the time of their previous enrollment.

Students who leave the University for more than two consecutive semesters (not including summer sessions) will re-enter under the academic program/curriculum in effect at the time of their re-entry.

A student wishing to appeal the re-entry policy must appeal in writing. The student should submit an appeal letter to the academic advisor who will forward the student's written request to the appropriate program chair and College Dean.

The College Dean, in consultation with the program chair and/or Associate Dean, shall write a recommendation to the Executive Vice President for Academic Affairs. The Dean's recommendation shall include the rationale for the recommendation and the impact on the student. The Executive Vice President for Academic Affairs shall make the final decision and respond to the student's request.

A dismissed student may apply for readmission after one year upon demonstrating an improvement in motivation or preparation for graduate work. A dismissed student's application for readmission will be referred to the Graduate Admissions Committee for review. If a student leaves the institution for a semester or more, he/she returns at the same standing.
