COLLEGE OF BUSINESS AND MANAGEMENT

GRADING SYSTEM/ PERFORMANCE REQUIREMENTS

CBM uses the quality point system defined by the University. Performance requirements are as follows:

Graduate students enrolled in a CBM master’s degree program are required to maintain a cumulative grade point average (GPA) of 3.0.

If a student’s GPA falls below 3.0, he/she will be considered on “academic probation” and must re-establish a GPA of 3.0 within the next six graduate credits or face dismissal.

In the MBA program, no course grade lower than a “C” will be accepted for credit in a CBM graduate-level course. In the Management program, no course grade lower than a “B-” will be accepted for credit in a CBM graduate-level course. If a low grade is earned, the student is required to retake the course and repay the required tuition fee. The student must contact his/her Academic Advisor to make arrangements to retake the course in a timely manner. Receipt of three grades of B- or lower will result in dismissal from the University. See the “Academic Policies” section of the catalog for more information. Each course may be repeated only once, unless it is appealed to the program chair.
